

**UTILITY COMPANIES WORKING ON MALVERN HILLS CONSERVATORS'
LAND.**

The Malvern Hills and Commons are nationally important. There are legal constraints placed on this private land that could lead to prosecutions if ignored. This form needs to be filled in before contractors arrive on site, otherwise Wardens will be instructed to stop the work unless it is an emergency. If it is an emergency please telephone the office and leave a message (01684 892002).

When completing this form please include:-

- A location map of the affected land
- An outline of work as it affects the common
- Vehicular access required to the site
- Working area
- Dates and times for the operation
- Proposed restoration for the site.

There will be £100 payment per week for storage of plant, equipment and/or porto-cabins, as well as a bond of £300.00 to be lodged with the Malvern Hills Conservators before work commences.
